HINTS FOR BOYS IN SALESIAN SCHOOLS

(Given by DON BOSCO)

ATTITUDE TO GOD

1. Remember that we have been created in order to love and serve God, our Creator and that all learning and wealth in this world amount to nothing without the fear of God on which our temporal and eternal welfare depend.
2. Give glory to God for whatever learning you have for He is the Author of every good. Do not glory in any ability.
3. Give yourself to the practice of virtue while you are young. The virtues to be cultivated most are modesty (purity) humility, obedience and kindness.
4. By modesty is meant a proper and decent manner of speaking and acting. This virtue is one of the best ornaments of your age.
5. Avoid any kind of sin; especially three evils should be particularly avoided:
 - a) Taking the name of God in vain;
 - b) Impurity in thought, word and deed;
 - c) Stealing

If we keep these evils far away from us, God will never fail us with His blessings.

ATTITUDE TO TEACHERS

1. Boys should look upon their school-mates as Brothers and upon their Teachers and Superior as Fathers/Mothers.
2. Respect every teacher whether of your own class or not. Be grateful towards those who taught you in the past. Show your teachers those exterior signs of reverence to which they are entitled, such as greeting them whenever you meet them, being polite while talking to them.
3. Be convinced that your teachers deeply feel their serious obligation of promoting your welfare in the best way they possibly can, and that in advising, commanding and correcting you, they have nothing else in view but your own good.

4. After piety study is most praiseworthy. Therefore, your first occupation must consist in doing the tasks assigned to you by your teachers.
5. Always rise when your teachers enter the class and again when they leave. If they delay in coming do not make any noise, but wait for them in your places in silence, reviewing your lesson or reading some good book.
6. During class avoid whispering or interrupting.

ATTITUDE TO SCHOOL-MATES

1. Strive to edify your school-mates by your good example at all time. In fact no sermon is more efficacious than good example.
2. Never make fun of those who are weak in their studies or not so quick to grasp their lessons. Let there be no ridiculing of any-one on account of his physical defect.
3. Gladly help one another at recreation; make no distinction in the choice of your companions. Let no one be slighted in any game and let there be no selfishness. If there be need to make a sacrifice for the sake of the team let it be made cheerfully.
4. When you are asked by a superior regarding the conduct of some of your companions, answer to the best of your knowledge especially when it is a matter of preventing or remedying some evil. To be silent would not be beneficial to your companion and would be offensive to God. Always avoid exaggeration and speak truthfully.

BEHAVIOUR AT SCHOOL

1. To write or draw on the blackboard (except when called upon to do so), to write offensive words, to soil walls or maps or anything else are things absolutely to be avoided.
2. Take great care of your text-books, copy books and other belongings. Beware of misappropriately your neighbour's property even if it be the smallest thing. Should you find a lost article, give it at once to the Principal / Vice Principal.
3. Keep the floor clean by allowing no paper or ink to fall on it.
