Dear Parents,

We are hoping that all is fine with you and your children in this time of distress. Over a month has passed since we have embarked in a new system of imparting education as formal schooling is at the moment not possible. We trust that both parents and children have well settled into this system.

A gentle reminder dear parents regarding the work sent to you on 15\textsuperscript{th} April 2020 through the school website. We hope your child has completed his work and is well versed with his Capital Letters, Numbers and Number Names from 1 - 10 and his 2\textsuperscript{nd} Language Varnas.

As we continue in our endeavor to constructively channelise the mental energy of your child, we are sending you a few samples of the work which you can set for your child in his school exercise book, to help him to revise the lessons taught and learn in a simple easy manner how to write correctly in Cursive Writing.

Given below is the work we would like you to set it in his \textbf{school four lined exercise book} and supervise him as he does it in his exercise book. For Cursive small letters first he should learn the pattern and then learn to write the letters.
